**Endorsement of the European Charter for Researchers and the Code of Conduct for  
the Recruitment of Researchers**

Cracow University of Economics recognizes and supports values and principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers and demonstrates the commitment to apply regulations of this initiative of the European Commission to build a strong research environment at our University.

We are convinced that the implementation of the rules given in the Charter and the Code will foster high-quality research at our University and provide inspiring research environment for our researchers. We see these rules as the basis for strengthening the role and position of Cracow University of Economics in the international scientific community.
