

Declaration of Commitment to the principles of the “European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers”

The University of Coimbra, represented by the Rector Prof. Dr. João Gabriel Silva and the Vice-Rector Prof. Dr. Amílcar Falcão, having examined the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers, expresses its full support and commitment to get involved into the process of implementing a Human Resources Strategy for Researchers (HRS4R) in our institution.

The underlying principles of the Charter and Code are in line with the current institutional strategy and practices of the University of Coimbra, aiming a more attractive researcher’s career and enhancing the quality of research and innovation.

The University of Coimbra recognizes the value of those principles and commits itself to their implementation, by improving and creating conditions for a more stimulating research environment and recruitment procedures for researchers.

Coimbra, 27 February 2018

Professor João Gabriel Silva
Rector of the University of Coimbra

Professor Amílcar Falcão
Vice-Rector of the University of Coimbra for R&D
